DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

This application is in condition for allowance except for the presence of claims 21,24,35-38,45 and 46, all directed to an invention non-elected with traverse in the reply filed on 7/18/08.

The traverse has been fully and carefully considered but is not found to be convincing. The restriction is proper for the reasons given in the Office action mailed 6/27/08. The restriction requirement not only establishes one way distinctness but two way distinctness as well. The restriction requirement is therefore made Final.

Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.
